OPD Announces National Night Out Registration

National Night Out is a national initiative to invite communities to get together with their neighbors and spend time together. It is also a way to build partnerships between these groups and local law enforcement. Millions of neighbors across the country take part in this event, which takes place this year on Tuesday, August 1st. Events can be anything, whether it's a potluck or a block party!

For those who wish to register their National Night Out event, we encourage you to fill out an online form. There is also an option to request that OPD stop by your event. You will find the link to the form on the Omaha Police Department Northwest Precinct Facebook page, or e-mail Lauren.Genier@cityofomaha.org for the link.
